

February 2022 Acuna, Mexico Newsletter

Brothers from Andrews may the blessings and grace of the Almighty be with you and the church, and that each day the reflection of His glory be seen in everything you do, that is my prayer to our Heavenly Father.

The following is to mention what has passed in the month of February the second month of the year and counting. A month we have come to know as “Crazy February” because of its varying climate. We have enjoyed these days, some days sunny, cold, windy, dry sleet, cold and hot, but definitely blessed. Christ has showed us to see the days as glorious, in Him all days are beautiful and made to enjoy and not complain. Instead glorify God for all that happens to us so that God gets all glory forever and ever, being the King of Kings.

I begin by commenting on what has come to pass in the month, on the 6Th we held our first fellowship reunion of the year and thanks be to God. It was because of the pandemic and other illnesses we had postponed it, thanks to God we can enjoy moments of fellowship, good health and above all Love. We were able to fellowship and share a meal together like the church of the first century used to do with joy in their hearts.

I also comment that thanks to God our assistance has increased in this past month. We have had 3 families that are visiting here, and we have begun to evangelize. We pray to our Lord to send more workers, and as a result more will be saved just like God saved us. We have slowly begun to integrate our activities, the church continues marching forward with our activities and reunions during the week. Thanks to God the authorities have allowed us to continue with our normal activities, by respecting the health rules. We as the church have put on our prayer list the war that unfortunately is going on between Russia and Ukraine. We pray that the Peace of Christ be in their hearts especially the presidents and all those that govern, and that the innocent won't be killed and all this end soon.

As for this servant and his family we are doing good, and thanks to God for brethren like you that continue helping in the work of Christ in this city. Here you not only have a home but brothers in the Faith. Well brothers that is all for the moment, trusting in our Lord He is our help in all tribulation for as big as they may seem, receive a warm hug from this humble servant.
