April 2022 Zaragoza Iglesia de Cristo

Dear brothers

It is a great pleasure for me to greet you in the love of Christ and inform you about the work of the Lord in Zaragoza.

During the month of April, we dedicated ourselves to visiting some of our members who we have missed in our meetings, the case among them was our members Lety Sotero and her mother Ma. De Jesús, we were at their house to encourage them, in fact, our sister Ma de Jesús is a 90-year-old woman, and it is impossible for her to attend the meetings and she is also sick, but her daughter Lety Sotero has been positive, and she has begun to meet. Also, we have continued with evangelism and this month Mrs. Guadalupe Morones was baptized for the forgiveness of her sins and we are currently evangelizing Juan and Carolina. They have been so positive that they have invited their own neighbors to study the Bible and they have already begun to visit the church of Christ. Also, on April 30 we had a children's day where there was Bible teaching and fun for them. On Sunday, April 24, we had a great day after worship, we spent the afternoon together in a park in our city, where we ate, played, and worshiped God.

Regarding the teaching and edification of the church, the Bible class for adults I exposed the topic of the doctrine of the church of Christ. The sermons were based on Colossians 3:18-4:1 on the central theme THE NEW LIFE. 1 married life Ver. 18,19. Parental life Ver. 20,21. working life Ver. 22-4:1. On Wednesdays I continued with the series THE UNITY OF THE SPIRIT I presented the following studies: one Lord, one faith, one baptism, one God and Father.

Also talking about our building, we are already planning to build the baptistry. As you know we have been baptizing people in a water tank, but this way is uncomfortable, so we have been collecting part of our offering to pay the material budget. God willing May our goals be achieved very soon.

Also, I want to tell you that we are excited because we have already defined the plan for VBS, it will be July 12-14 with the hours of 9:00 a.m. – 12:00 p.m. Also, on the same dates in the afternoon we will have an evangelistic campaign, we have invited bro. Sergio Silva preacher in Dallas, Tx. as a speaker. We thank God for this activity that will be for his glory.

I also want to tell you that our Zaragoza elders would like to have a video conference with you as elders because they would like to talk more in detail about our work that we are carrying out and for them to get to know us better. This video conference could be on any day of the week and during the afternoon. Tell us if you would like this.

Thanks, and blessings.
