Rooted in Faith

The people of the church are a window into the heart of Jesus. If we aren’t producing VISIBLY good fruit, why would anyone want to plant roots with us? In a world where social media has further isolated people from people, that window is shrinking. If we are to meet people where they are, we will have to extend our reach. We will need to be more intentional with our time. We will meet them in our homes, our jobs, or at the ball games. We will need to become vulnerable and meet them on their home court, not ours. People are longing for community, a place to belong. As Jesus says in Luke 10:2 and John 4:35, the fields are ripe for harvest. Where and how will we harvest? If you have ideas, please share them. Let’s reap a harvest in 2025. - Mark Brewer
