Brothers and sisters of Andrews, I address you wishing that the grace and mercy of the Almighty may reach you in each and every one of His promises that the Lord has for those who love Him.

The following is to comment on what was done this past month of August, already the eighth month, a very hot month but full of blessings for his children since He provides us with what we need even without us asking for it, He is generous with his people whom He cares for and sustains.

I'll start by telling you what we accomplished this month. First, on Saturday the 8th, we enthusiastically held our monthly youth meeting, where nearly 70 young people received God's counsel. They fellowshiped and were edified by the theme: "The young man who overcomes," inspired by the young Timothy. They also enjoyed a meal prepared by our sisters, who are always ready for this wonderful work.

Also, on August 14th and 15th, we held our much-anticipated summer school where nearly 80 children participated in the theme: Jesus Calms the Storm. Our sisters primarily served as teachers, and we had the collaboration of our brother Fernando Gómez and Mague Gómez, who were a great blessing to this activity. The children enjoyed activities, games, gifts, and above all, the teachings of our God, as well as delicious hamburgers and refreshing lemon and melon-flavored drinks.

Likewise, on Sunday the 15th, our now brother, Trinidad, over 80 years old, was granted forgiveness of his sins by the Lord upon confessing his faith, being baptized, and being born again, so the joy was manifested by the whole church that day.

Also on Wednesday, after our meeting, our brother Sergio returned to the fold after two years of not meeting and being in communion with our God; he expressed his desire to reconcile with his creator.

Also, to conclude the month, on Sunday the 30th, after the morning meeting, our brothers Caleb and Rosalio were reconciled after being without communion with God for more than 8 years, and the Lord granted them the grace to return to the fold and continue in communion with Him. Then, after our afternoon meeting, our sister Alejandra was baptized to walk in newness of life, and her name will be written in the book of life.

So, as you can see, it was a month full of work and reaping what we had sown, since this is the work to which our God has called us to do, and understanding that His word does not return empty, to God be the glory and honor forever and ever.

Well brothers, I say goodbye for now with the joy and confidence that we are in the true One and that everything we do for the Lord has its reward and He who is to come will come and will not delay.

Sincerely, Julián Tovar Jr.

And when the Gentiles heard this, they were glad and glorified the word of the Lord: and as many as were ordained to eternal life believed. ACTS 13:48
