

July 2026 Acuna, Mexico

Newsletter

Brothers and sisters of Andrews, may the love of the Eternal God whom we love and serve be His mighty hand, blessing each of you on this path that leads to eternal life. This is my desire and prayer.

The following is to tell you about what was done in this past month of July, a month of many blessings, because that is what we receive who trust in the God of Abraham, Isaac and Jacob, a month with rain, cool and sunny, a month that reminds us that we continue to move forward in this year.

So I'll start by telling you that my family and a small group of brothers were in the city of Houston on July 2nd, 3rd, and 4th for an event called the Gulf Conferences. There, we had the experience of rejoicing in the word of the Lord and the harmony of the brotherhood in that city. I also had the opportunity to preach in one of the churches there, where the brothers showed their love for God and for us, and that brought joy to our hearts.

Likewise, on Sunday the 12th, we joyfully and sincerely held our monthly gathering where we enjoyed food and conversation with our brothers, trying to imitate the church of the first century.

So we have been working at the meeting place because thank God it has rained and this makes the grass grow and we can do some repairs at the meeting place.

We also started a new class to learn a little about musical notes and improve our worship through praise, since there is always something to improve in our worship service. It is not an easy task, but we trust that with the help of our God we will achieve it for His glory and honor.

We are also continuing with preparations for our monthly youth meeting and summer school this August, as well as our general activities and meetings (studies, visitation, classes, benevolence) always thinking of the Lord of our lives.

Thus, the church continues forward, seeking ways to grow in numbers as well as in knowledge, despite discouragement, temptations, illnesses, and tribulations, because we believe and trust that our work in the Lord is not in vain nor does it fall on barren ground.

Well brothers, I'll say goodbye for now, encouraging you to continue placing your eyes and faith on the author of our salvation, for it is ever closer to when we believed.

Sincerely

Julian Tovar Jr.

Behold, God is mighty, and despiseth not any; he is mighty in strength and wisdom JOB 36:5
