

June 2026 Acuna, Mexico

Newsletter

Brothers of Andrews may the mercy of the Almighty and His gracious hand abound in all that you do and plan in His name, and may your path be filled with light and truth wherever you go. This is my most sincere wish and heartfelt prayer to our Heavenly Father.

So, I will tell you what I did this past month of June, halfway through the year, a month full of blessings and rain as well as a lot of heat, but we received it all from His hand because if it comes from Him, everything is welcome.

So, I'll start by telling you that on June 4th the Lord allowed me to turn 49 years old, and that is also a great blessing as I reflect on how and why our God has us here, understanding that everything has a purpose and only He knows how many days we have left and that we can live those days for the glory of His name.

Also, on Sunday the 21st we carried out our worship and afterwards we carried out our monthly fellowship and we took the opportunity to recognize and thank God for each of the parents, pampering them and encouraging them to carry out their responsibilities at home as well as their leadership in the church, so we celebrated them with a delicious dish (stuffed peppers) as well as some activities.

Likewise, the youth continue their preparations for their annual regional meeting, hoping and trusting that it will be a great blessing for each one of those present.

Likewise, the church continues with our general meetings and activities, motivating and exhorting one another not to faint, for we understand that the enemy's work is to put obstacles in our way and discourage us, and ours is to beg the Lord of the harvest to send laborers into his harvest, and we trust that it will be so if we do not faint.

Well brothers, I bid you farewell for now, sending you a fraternal greeting and reminding you that all tribulation on this earth is momentary and our reward is eternal.

Sincerely,

Julian Tovar Jr.

Rejoice, and be exceedingly glad: for great is your reward in heaven: for so persecuted they the prophets who were before you. MATTHEW 5:12
