MEXICO MISSION WORK. JAN-FEB 2026 GRAL REPORT

1.- As it was reported in Nov-Dec 2024 Gral Report, brother Pedro Hernandez, the founder of this Congregation, passed away December the first, 2024. The small Congregation have invited to Brother Abel Bazaldua to be the New Preacher. Brother Bazaldua REFUSED TO TAKE THE TASK TO BE CONSIDERED THE PREACHER OF THIS CONGREGATION. His motives are that he needs to work also Sundays to make a living.

2.- As the 5 adults that meet are all them women, Maria Viera, the Pedro Hernandez widow, decided to took the task. Then she report that she gives the biblical lessons to the other four ladies and invite to one of the little boys age 10 to pray and distribute the Holy Super every Sunday.

3.- At the same time, they pray continuously to God asking for some man from the around Congregations to came to help them with the Sermon every Sunday.

4.- I mentioned long ago in some of my reports what happened at this area. Let me refresh what I was informed by Pedro when he was alive.

5.- "...Several Years ago Pedro and Maria were knocking doors around The Colony "Vamos Tamaulipas". They found a couple interested in knows more about Jesus. Their names Arturo and Brenda...(I don't remember their last names)... Arturo and Brenda were converted and baptized by Pedro. As the building in "Vamos Tamaulipas" was under construction, Arturo and Brenda were invited by some of the richest members of the Down Town Congregation to meet with them. Running a few years, the Down Town Congregation offered to this couple a scholarship to go to study to Monterrey School of Preaching, invitation that the couple did accept. Arturo and Brenda spent two years at the Training School. After Graduation, The Monterrey School of Preaching that receives Support from US Congregations, offered to Arturo and Brenda to come back to Victoria and start a New Congregation where they were living. They were living at the same colony were we purchased the property to erect the present building legally tied to Our Legal Organization.

Arturo and Brenda started to evangelize between the neighborhoods and very soon converted a few persons from Catholicism to Church of Christ. A few years ago, the North side Congregation in Cd. Victoria suffered a division. A big group of members in a wealthy condition decided to go to meet with Arturo and Brenda. The group then grew and increased the offering every Sunday. Then with this new group, they decided to purchase an empty lot in the Colony Vamos Tamaulipas....!!! **but they did not considered the inadequacy of construct a New building to host the Meeting of their Congregation close**

MEXICO MISSION WORK. JAN-FEB 2026 GRAL REPORT

to the building were we constructed long ago!!!. Then, some of the members of The congregation were Pedro was Preaching, decided to move to this New Building, with more membership, and with none Financial Problems. This situation has been going worse and worse, because 1.- With the die of our brother Pedro, none Masculine Authority figure is available in The building under our responsibility. 2.- Our sister Maria Viera now is the feminine leader at this Congregation. 3.- Others members of our Organization have put in the table the suggestion of sale this property and use such money to purchase another property in other part of Tamaulipas State and start a new congregation...or use the money to complete the construction of other buildings that do not have doors, windows, concrete floors and more and that are very actives working for the Lord.

As you see, this kind of troubles is what maintains me alert and working on to solve it...

8.- LLERA DE CANALES CONGREGATION.

LOCATION: LLERA DE CANALES	NATIONAL PREACHERS: NONE LOCAL PREACHER.	SUPPORTED BY: NONE SUPPORT.
-------------------------------	---	--------------------------------

1.- Picture of building in Llera de Canales.

Let me repeat the history about it.

“In the Month of February, 2000, Raymundo Delgado was sent to open a New Congregation in Llera. He was supported by a Congregation located at Northcross, Georgia. We purchased the property in Llera, giving a down payment and making monthly payments. When all was paid, we received a Property Title legally registered at The Registry of the Public Property Office under the name of our brother Roberto Martinez.

MEXICO MISSION WORK. JAN-FEB 2026 GRAL REPORT

Running the years, I got some help from a Lady Christian from Huntsville, Tx. and started the construction for a building at the property.

In 2005, Raymundo moved from Llera to another congregation located by the Mountains. I sent to Llera a new graduated named Sergio Ramirez to continue with the work.

All was fine until the Year 2012, when a group of criminals targeted the Ramirez Family, burning 2 vehicles that we had donated to the congregation years before. The Ramirez Family fled far away to save their lives. They went to Cd. Valles, S.L.P.

I offered to them support to start a New Congregation in Cd. Valles, but they quitted 4 months later, maybe because the stress suffered when they were treated in Llera.

The building in Llera was abandoned by the membership, and the members started to meet at the original place during the time, when Raymundo converted them: at the home of Sister Kalita.

I went several times down there to convince them to come back to use the building. It is equipped with Water and Electricity....and the Year 2020, the Municipal Government have introduced sewer to the Colony. Despite of the invitation, the members refused to come back.

Starting the Year 2019, I put a sign of "for sale". The plan was sell it and get money to pay back the Mission Program Debt acquired to purchase the property for the Congregation in Graciano Sanchez or to pay off the remnant debt with IMSS. Both debts were paid off running the years. The new plan is sale it and gets the money to save it to purchase another property where it is necessary. Until the present time none potential purchaser have appeared.

This picture shows the building. The preacher that was in Graciano Sanchez, named Gilberto Garcia, was going to mow it every 2 months during the rainy season. Now nobody is going to clean it of wheat, grass and other Silvestre plants that grows around the building. I plan to go by the end of December to visit the place, to pay the property taxes and try to talk with the neighbor and see if he can take the task of find some potential purchaser for this unused and abandoned property. Of course I plan to spend some money to clean it. Our front neighbor named Gabriel is a Teacher in active. I asked him too to find some person that clean the property every six months being our neighbor who will receive the money transferred to pay for. Sorry.

9.- XICOTENCATL CONGREGATION.

CITY OR TOWN: XICOTENCATL	NATIONAL PREACHER: TEODORO GONZALEZ.	SUPPORTED BY: MISSION FUND.
-------------------------------------	--	---------------------------------------

UPDATES.- Last report I informed that Lawyer Julian Ramirez gave to me the date of December 8th 2025 to conclude the tramitation of Legal Property Scripture for Xicotencatl Property. November 11th, I went to see directly at Notary Public Agapito Gonzalez to ask about the status of this procedure. Lawyer Agapito Gonzalez told that he do not know nothing about it. His answer confused me for a moment until another woman lawyer that was making copies at the same office told him and explained him who is Lawyer Julian Ramirez. Both then explained me that Lawyer Julian Ramirez do not work with him at office, that only carry on documents to its Notary Public for the protocolization of Legal Documents as required by Law. Their answers made me to be cautious because appeared this situation as a fraudulent issue. I descended from their Office to the street and at this exact moment, Lawyer Julian Ramirez passed by the street driving his pickup, and stopping beside the sidewalk, asked me about what I was doing..?...my angry answer was about investigating at the Notary Office about Xicotencatl work...A that specific moment, we started talking about the long time that he has used to get the Clear Title of the Property as I has contracted him to do it...and using the words ..."fraudulent actuation"...Lawyer Julian Ramirez was angrily answering me that he is not guilty for the delay, that Government Judges whom sign any document are working slowly in the solution of thousand of Legal Issues....and after several minutes of discussions, he went back to his pickup and I went to my vehicle too...The same day, I went to see another old lawyer asking for Legal assistance in this deal, because the past confrontation versus Lawyer Julian Ramirez.

After the explanation of the situation, I asked to Lawyer Irma Leticia Morales Vega to be my Legal Representative to talk with the other lawyer Julian Ramirez asking results in the works I paid for. The Lawyer Irma asked me to wait until January 2026 to start the representation, asking me a Power Attorney legally certified were I name she as my Legal representative in this particular matter only. The Ramirez Lawyer works, looked as a fraudulent issue but her suggestion is not to precipitates to suit Lawyer Julian Ramirez, until she organize an interview to interrogate him.

UPDATES

1.- January 13, 2026.- I received copy of letter sent by Sylvan Hills Church of Christ wrote in Spanish and directed to The Valley Church Rio Bravo. This Church or Congregation is known by the Hispanic Christians as Congregation “Madero”, because it is located at Colony “Madero” of Rio Bravo City. In Gral, The letter explains the purposes, Plans and projections for the development of such Congregation, finishing the letter explaining to the leadership of such Congregation the termination of support for them.

Iglesia de la Valle| The Valley Church
Rio Bravo, México

Hace casi 25 años, la iglesia en Rio Bravo comenzó a reunirse bajo el liderazgo de Arturo Parra. Aunque se han utilizado varios lugares para las reuniones, esta iglesia siempre se refería como "The Valley Church." Cuando se estableció, hubo algunas expectativas:

- La Palabra sería predicada conforme la Biblia con un énfasis en arrepentimiento, bautismo, y según los principios de una vida Cristiana, tales como se describen en el Nuevo Testamento.
- El edificio estaría utilizado para compromiso con la comunidad, tales como la enseñanza de habilidades informáticas, el aprendizaje del idioma inglés, la crianza de animales pequeños para huevos y leche, y para la realización de reuniones comunitarias.
- Habría un programa activo de jóvenes que incluiría a la comunidad en las actividades planificadas; una conferencia de jóvenes se llevaría a cabo cada año, la cual recibiría financiamiento.
- Cada dos años, una conferencia/ programa de mujeres sería financiada por la congregación donde mujeres de otras congregaciones y la comunidad estarían invitadas. Fondos extras estaban disponibles para este evento, y en el pasado, miembros de la iglesia de Sylvan Hills participaron en estos eventos.
- Benevolencia sería practicada por los miembros mediante el servicio a los ancianos, las viudas, y los enfermos de la congregación y vecinos cercanos.
- La Escuela de Belleza ayudaría a preparar a las mujeres en la comunidad enseñándoles destrezas útiles para que pudieran ganar un ingreso, y contribuir a sus familias.
- Con el tiempo, la iglesia llegaría a ser autosostenible y capaz de financiar sus propios programas con asistencia mínima de la congregación de Sylvan Hills.

El proceso para que la iglesia llegara a ser autosuficiente/ autosostenible había comenzado antes del fallecimiento de Arturo Parra. Antes de su muerte, él ya no dependía de los fondos provenientes de Sylvan Hills para su salario. A Arturo se le permitió vivir en el complejo del edificio de la iglesia, de modo que su pensión y el Seguro Social fueran suficientes para su sustento. De esta manera se le proporcionaron vivienda y servicios públicos.

El dinero enviado desde Sylvan Hills debía utilizarse para el mantenimiento del edificio, para apoyar el programa de jóvenes y para asegurar que se pagaran los impuestos y las cuotas correspondientes. Cuando surgían necesidades especiales, la congregación de Sylvan Hills procuraba atenderlas mediante contribuciones especiales. Un ejemplo de ello es la construcción del baptisterio; otro, la provisión de fondos para los bancos y la pintura del auditorio. Existen otros ejemplos en los que se enviaron fondos para el cuidado y mantenimiento del edificio.

ARTURO MARTINEZ

3.- January, 22, 2026.- I organized a meeting with members of “El Triunfo Congregation”. In Such Meeting, arrived Mr. Rigoberto , son of Maria Parra, Arturo Parra’s widow.

Mr. Rigoberto talked to members asking them to empty the storage room that is part of the Property Church, telling to them, that he wants to use such storage room as corral for some animals he owns.

I asked to Congregation authorization to give an answer to Mr. Rigoberto on his request. I explained to him the purpose of our meeting, introducing my self as The Legal Representative of Iglesia de Cristo del Noreste, showing him my Legal Documents that acreditate my Personality.

In that moment I told him that he is invading a church property for being using part of the terrain as corral for his sheeps. Mr Rigoberto answered to me saying that such property is HIS PROPERTY, because he is the inheritor of Arturo Parra and Maria Parra. With kinds words, I told him that the terrain were is constructed the church building , is totally a church property, as is specified the sell Agreement that we conserve, showing him a copy of such document. Also I told him that we respect that he be the inheritor of Arturo Parra and Maria Parra, but that in the case of the Property Church, it never was a private

property of Arturo Parra, because Arturo Parra, Pablo Silva only signed as REPRESENTATIVES of the Iglesia de Cristo del Ejido El Triunfo, and explaining that is not the same be a representative that be the proprietor. I mentioned also the name of Wallace L. Randle, as the REPRESENTATIVE of Sylvan Hills Church of Christ, and as how he was the person that brought the money donated by Sylvan Hills to purchase the Hectarea where the building is erected.

Mr. Rigoberto answered that my documents any person can do it and seal it , but that it do not prove that it be legals...and that they, Maria Parra and him self, have other documents signed by the Agrarian Authorities of Tamaulipas State. Then I invited him and his mother to prepare their documents to present it before the Judges of Rio Bravo to solve this problem legally, and we as The Legal Organization with Federal Documents and the Bill of Sale that we conserve since 20 years ago, will request to Federal Judge to solve this situation.

Mr. Rigoberto leaved the meeting and driving speedily, went to the Rio Bravo Tax Office to try to pay the taxes for the property. The person to collect taxes told him that she could receive the payment but the receipt will be under the name of Iglesia de Cristo. This last information was told to me by the City Tax collector by phone.

In our meeting with the members of El Triunfo Congregation, we continue talking about the situation and they asked me to request to Sylvan Hills's Elders that they call to Maria Parra to persuade to Maria Parra and her son Rigoberto to stop their intention to comitt fraud versus Iglesia de Cristo El Triunfo, because they openly have show the desire to get the property. This act is a sin versus God and more because Maria is a Christian.

I include pictures of such meeting Thursday 22 of January of 2026.
