1.- As I reported since last Sep-Oct 2024 Gral. Report, Brother Javier Rosendo Jr. local preacher, have expressed his will to resign his position as preacher because as he is self supported, his job as Taxi driver for the platform named Didi take most of his time. I am looking for some other local preacher to takes the task. I don't promise support to preacher, only the incorporation to IMSS. It is difficult to find another minister that takes the responsibility to lead "NUEVO AMANECER" Congregation without support.

1.- As it was reported in Nov-Dec 2024 Gral Report, brother Pedro Hernandez, the founder of this Congregation, passed away December the first, 2024. The small Congregation have invited to Brother Abel Bazaldua to be the New Preacher. Brother Bazaldua REFUSED TO TAKE THE TASK TO BE CONSIDERED THE PREACHER OF THIS CONGREGATION. His motives are that he needs to work also Sundays to make a living.

MEXICO MISSION WORK. MAR-APR 2026 GRAL REPORT

2.- As the 5 adults that meet are all them women, Maria Viera, the Pedro Hernandez widow, decided to took the task. Then she report that she gives the biblical lessons to the other four ladies and invite to one of the little boys age 10 to pray and distribute the Holy Super every Sunday.

3.- At the same time, they pray continuously to God asking for some man from the around Congregations to came to help them with the Sermon every Sunday.

4.- I mentioned long ago in some of my reports what happened at this area. Let me refresh what I was informed by Pedro when he was alive.

5.- "...Several Years ago Pedro and Maria were knocking doors around The Colony "Vamos Tamaulipas". They found couples interested in know more about Jesus. Their names Arturo and Brenda...(I don't remember their last names).... Arturo and Brenda were converted and baptized by Pedro. As the building in "Vamos Tamaulipas" was under construction, Arturo and Brenda were invited by some of the richest members of the Down Town Congregation to meet with them. Running a few years, the Down Town Congregation offered to this couple a scholarship to go to study to Monterrey School of Preaching, invitation that the couple did accept. Arturo and Brenda spent two years at the Training School. After Graduation, The Monterrey School of Preaching that receives Support from US Congregations, offered to Arturo and Brenda to come back to Victoria and start a New Congregation where they were living. They were living at the same colony were we purchased the property to erect the present building legally tied to Our Legal Organization.

Arturo and Brenda started to evangelize between the neighborhoods and very soon converted a few persons from Catholicism to Church of Christ. A few years ago, the North side Congregation in Cd. Victoria suffered a division. A big group of members in a wealthy condition decided to go to meet with Arturo and Brenda. The group then grew and increased the offering every Sunday. Then with this new group, they decided to purchase an empty lot in the Colony Vamos Tamaulipas....!!! **But they did not considered the inadequacy of construct a New building to host the Meeting of their Congregation close to the building were we constructed long ago!!!**. Then, some of the members of The congregation were Pedro was Preaching, decided to move to this New Building, with more membership, and with none Financial Problems. This situation has been going worse and worse, because 1.- With the die of our brother Pedro, none Masculine Authority figure is available in The building under our responsibility. 2.- Our sister Maria Viera now is the feminine leader at this Congregation. 3.- Others members of our Organization have put in

MEXICO MISSION WORK. MAR-APR 2026 GRAL REPORT

the table the suggestion of sale this property and use such money to purchase another property in other part of Tamaulipas State and start a new congregation...or use the money to complete the construction of other buildings that do not have doors, windows, concrete floors and more and that are very actives working for the Lord.

As you see, this kind of troubles is what maintains me alert and working on to solve it...

8.- LLERA DE CANALES CONGREGATION.

LOCATION: LLERA DE CANALES	NATIONAL PREACHERS: NONE LOCAL PREACHER.	SUPPORTED BY: NONE SUPPORT.
--------------------------------------	--	---------------------------------------

1.- Picture of building in Llera de Canales.

Let me repeat the history about it.

"In the Month of February, 2000, Raymundo Delgado was sent to open a New Congregation in Llera. He was supported by a Congregation located at Northcross, Georgia. We purchased the property in Llera, giving a down payment and making monthly payments. When all was paid, we received a Property Title legally registered at The Registry of the Public Property Office under the name of our brother Roberto Martinez.

Running the years, I got some help from a Lady Christian from Huntsville, Tx. And started the construction for a building at the property.

In 2005, Raymundo moved from Llera to another congregation located by the Mountains. I sent to Llera a new graduated named Sergio Ramirez to continue with the work.

MEXICO MISSION WORK. MAR-APR 2026 GRAL REPORT

All was fine until the Year 2012, when a group of criminals targeted the Ramirez Family, burning 2 vehicles that we had donated to the congregation years before. The Ramirez Family fled far away to save their lives. They went to Cd. Valles, S.L.P.

I offered to them support to start a New Congregation in Cd. Valles, but they quitted 4 months later, maybe because the stress suffered when they were treated in Llera.

The building in Llera was abandoned by the membership, and the members started to meet at the original place during the time, when Raymundo converted them: at the home of Sister Kalita.

I went several times down there to convince them to come back to use the building. It is equipped with Water and Electricity....and the Year 2020, the Municipal Government have introduced sewer to the Colony. Despite of the invitation, the members refused to come back.

Starting the Year 2019, I put a sign of "for sale". The plan was sell it and get money to pay back the Mission Program Debt acquired to purchase the property for the Congregation in Graciano Sanchez or to pay off the remnant debt with IMSS. Both debts were paid off running the years. The new plan is sale it and gets the money to save it to purchase another property where it is necessary. Until the present time none potential purchaser have appeared.

This picture shows the building. The preacher that was in Graciano Sanchez, named Gilberto Garcia, was going to mow it every 2 months during the rainy season. Now nobody is going to clean it of wheat, grass and other Silvestre plants that grows around the building. I plan to go by the end of December to visit the place, to pay the property taxes and try to talk with the neighbor and see if he can take the task of find some potential purchaser for this unused and abandoned property. Of course I plan to spend some money to clean it. Our front neighbor named Gabriel is a Teacher in active. I asked him too to find some person that clean the property every six months being our neighbor who will receive the money transferred to pay for. Sorry.

9.- XICOTENCATL CONGREGATION.

CITY OR TOWN: XICOTENCATL	NATIONAL PREACHER: TEODORO GONZALEZ.	SUPPORTED BY: MISSION FUND.
------------------------------	---	--------------------------------

UPDATES.- Last report I informed that Lawyer Julian Ramirez gave to me the date of December 8th 2025 to conclude the tramitation of Legal Property Scripture for Xicotencatl Property. November 11th, I went to see directly at Notary Public Agapito Gonzalez to ask about the status of this procedure. Lawyer Agapito Gonzalez told that he do not know nothing about it. His answer confused me for a moment until another woman lawyer that was making copies at the same office told him and explained him who is Lawyer Julian Ramirez. Both then explained me that Lawyer Julian Ramirez does not work with him at office, only carry on documents to its Notary Public for the protocolization of Legal Documents as required by Law. Their answers made me to be cautious because appeared this situation as a fraudulent issue. I descended from their Office to the street and at this exact moment, Lawyer Julian Ramirez passed by the street driving his pickup, and stopping beside the sidewalk, asked me about what I was doing..?...my angry answer was about investigating at the Notary Office about Xicotencatl work...A that specific moment, we started talking about the long time that he has used to get the Clear Title of the Property as I has contracted him to do it...and using the words ..."fraudulent actuation"...Lawyer Julian Ramirez was angrily answering me that he is not guilty for the delay, that Government Judges whom sign any document are working slowly in the solution of thousand of Legal Issues....and after several minutes of discussions, he went back to his pickup and I went to my vehicle too...The same day, I went to see another old lawyer asking for Legal assistance in this deal, because the past confrontation versus Lawyer Julian Ramirez, practically terminated each and all present and future deals..

After the explanation of the situation, I asked to Lawyer Irma Leticia Morales Vega to be my Legal Representative to talk with the other lawyer Julian Ramirez asking results in the works I paid for. The Lawyer Irma asked me to wait until January 2026 to start the representation, asking me a Power Attorney legally certified were I name she as my Legal representative in this particular matter only. The Ramirez Lawyer works, looked as a fraudulent issue but her suggestion is not to precipitates to suit Lawyer Julian Ramirez, until she organize an interview to interrogate him.

2.- March 30th, meeting with Notary Public # 91 , Lawyer Fernan Barrera Herrera, Rio Bravo City, to get information about proceedings to get the Legal Property Title .

3.- Notary told us that before doing or starting the Legal Document named Property Certificated and Registered under the Public Records , is necessary to make a Legal Subdivision of the Property under the name of Rosalinda Aguirre, divided in 3 portions:

a).- Portion number 1.- One hectarea under the name of the Same Rosalinda Aguirre.

b).- Portion # 2.- One hectare under the name of Iglesia de Cristo .

c).- Portion number 3.- 4,570 square meters under the name of Rosalinda Aguirre. This third portion is divided in three small lots, that Rosalinda sold or gaves or donate to 3 other persons, being one of them Arturo Parra, other part was for Rosalinda's daughter,...but it is not important to our case, and Notary Public just is counting it as Third Portion of the total that appear in the Legal Property Title under the name of Rosalinda, which picture appear under this information.

3.- Later, I went to the cafeteria with Leonides Aguirre, Agrarian Assesor who gaves to me the Certified Copy of the title above under the name of Rosalinda Aguirre, the previous owner that sold to "El Triunfo" Congregation the piece of land for building and additional land for farming totaling One Hectare, paid by Sylvan Hills Church of Christ in Year 2004.

4.- This is the document that Notary Public need to order a Subdivision of the Complete Property in the 3 fractions mentioned above, to start the writing of the Legal Title of Portion # 2 of such property to be the second portion legally tied to Iglesia de Cristo.

MEXICO MISSION WORK. MAR-APR 2026 GRAL REPORT

5.- As Notary also need Certified Plans made for a Licensed Surveyor to continue with this matter, we organized a meeting with the Surveyor Licensed in this part of Tamaulipas State enginner Victor Manuel Vargas del Villar.

6.- April 6th , meeting with Engineer Victor Manuel Vargas del Villar, at Restaurant “La Mansion” . Were with us: Leonides Aguirre, agrarian assessor, and leadership of “El Triunfo” to be witnessing for the deal with Surveyor.

Picture 5.- Me self listening explanation from Surveyor Eng. Victor M. Vargas.

7.- The Surveyor made the job and gave me several plans of the total property with the subdivision perfectly marked as appear at next satellite picture 6.

6.-

8.- Other document that Notary need to continue with this matter is a document named “ **Informative Certificate**” about Rosalinda Aguirre’s Property.

9.- When we get this document, the next procedure is make a suit to Rosalinda Aguirre and wait her answer. If her answer is negative to sign the confirmation of the sale made 20 years ago, judge will order to Notary to make the Legal Title of Property under the name of Iglesia de Cristo del Noreste in REBELDY, meaning that because Rosalinda did no come to be in the audience with the Judge to express whatever she wanted to say, ...If she decided to come to confirm the sale before the Notary Public, it will continue ahead the same way, with her agreement.

10.- But the situation is that because I am ordering the judgment, the lawyer that legally will write it and present it before the Court, is charging to me as Legal Representative of the Iglesia de Cristo, de amount of \$ 20,000.00 pesos, asking the 50% when he present the suit and getting the other 50 % when judge order that Rosalinda Aguirre comes to the Judgment to defend herself or contract a lawyer by her side. Whatever happens, she need to confirm the sale...or denied it ...if she denied it , our suit will change versus she converting it in a fraud, and the judge will obligate she to pay back all the money received by the sale, plus the interest generated during 20 years plus the value of the building plus costs of judgment,...and as she do not have enough money to pay for,...I believe that she will honor her promise as it was wrote in the contract of sale 20 years ago....and if she say that do not have money to pay for but do accept the sale made 20 years ago, any way, the property will go under the name of Iglesia de Cristo, under her rebel attitude. ...it was what told me the lawyer I contracted....

11.- More bad situations.- March 26-2026, when the members of Congregation “El Triunfo” arrived to the building, they found it totally closed with PADLOCKS in all doors. The preacher Juan Gamez sent me pictures of Building Door locked, Restroom doors locked, main entrance locked. Minutes later, The man named

MEXICO MISSION WORK. MAR-APR 2026 GRAL REPORT

Rigoberto, son of Maria, Arturo Parra's Widow, arrived and opened the locks, saying to members that starting in such date, the area of the Property that Sylvan Hills Church of Christ purchased and built 20 Years ago aprox for El Triunfo, he claimed that he is the owner because he is the inheritor of Arturo Parra. I asked to my lawyer counsel on how to act, and he recommended to me do not go to policeman, because this action for their part, is a proof versus them, because they are acting as owners when the document of sale means clearly that the property was donated to The Church, not to Arturo Parra. Then We will wait until the property be legally tied to Iglesia de Cristo and then, The Iglesia de Cristo will suit them for their irrational acts of landlords versus the humble El Triunfo Congregation. Next Pictures illustrate what I explain in this report.

NEW INFORMATION

1.- Almost one and a half year, I found in Reynosa Two of my old students of VICTORIA SCHOOL OF PREACHING. One is Guillermo Hernandez and his wife Carmen Guzman. He graduated in 2001. The same year I found support in US and they were sent to Ocampo, Tamps. Infortunatelly support was terminated and he and his wife emigrated to various cities to find a living. Finally they arrived to Reynosa Tamps. and soon they were involved in working for the Lord as Co-workers of other Preachers.

2.- After several conversation with them, They were convinced to re-start a new Congregation at The Colony were they lives, named Col. "Paseo de las Flores". They told to me that the Plan is not start immediately, because actually they are very involved in Evangelism for Two Congregations in Reynosa City: one named "Piramides" Congregation sited at Colony Balcones and the other named "Valle Soleado Congregation" at Colony of the same name. But in two years from now, they Plan to start this New Proyect at Colony Paseo de las Flores.

3.- I started sending him some song books, biblical panflets, and I plan to send him a Kit of Maps of the Biblical Land. He told me that actually is giving classes about Evangelism, using the same methodology I used in The School of Preaching.

The next are some pictures to illustrate what I say.
