1.- As I reported since last Sep-Oct 2024 Gral. Report, Brother Javier Rosendo Jr. local preacher, have expressed his will to resign his position as preacher because as he is self supported, his job as Taxi driver for the platform named Didi take most of his time. I am looking for some other local preacher to takes the task. I don't promise support to preacher, only the incorporation to IMSS. It is difficult to find another minister that takes the responsibility to lead “NUEVO AMANECER” Congregation without support.

8.- LLERA DE CANALES CONGREGATION.

LOCATION: LLERA DE CANALES	NATIONAL PREACHERS: NONE LOCAL PREACHER.	SUPPORTED BY: NONE SUPPORT.
-------------------------------	---	--------------------------------

1.- Picture of building in Llera de Canales.

Let me repeat the history about it.

"In the Month of February, 2000, Raymundo Delgado was sent to open a New Congregation in Llera. He was supported by a Congregation located at Northcross, Georgia. We purchased the property in Llera, giving a down payment and making monthly payments. When all was paid, we received a Property Title legally registered at The Registry of the Public Property Office under the name of our brother Roberto Martinez.

MEXICO MISSION WORK. MAY-JUN 2026 GRAL REPORT

Running the years, I got some help from a Lady Christian from Huntsville, Tx. And started the construction for a building at the property.

In 2005, Raymundo moved from Llera to another congregation located by the Mountains. I sent to Llera a new graduated named Sergio Ramirez to continue with the work.

All was fine until the Year 2012, when a group of criminals targeted the Ramirez Family, burning 2 vehicles that we had donated to the congregation years before. The Ramirez Family fled far away to save their lives. They went to Cd. Valles, S.L.P.

I offered to them support to start a New Congregation in Cd. Valles, but they quitted 4 months later, maybe because the stress suffered when they were treated in Llera.

The building in Llera was abandoned by the membership, and the members started to meet at the original place during the time, when Raymundo converted them: at the home of Sister Kalita.

I went several times down there to convince them to come back to use the building. It is equipped with Water and Electricity....and the Year 2020, the Municipal Government have introduced sewer to the Colony. Despite of the invitation, the members refused to come back.

Starting the Year 2019, I put a sign of "for sale". The plan was sell it and get money to pay back the Mission Program Debt acquired to purchase the property for the Congregation in Graciano Sanchez or to pay off the remnant debt with IMSS. Both debts were paid off running the years. The new plan is sale it and gets the money to save it to purchase another property where it is necessary. Until the present time none potential purchaser have appeared.

This picture shows the building. The preacher that was in Graciano Sanchez, named Gilberto Garcia, was going to mow it every 2 months during the rainy season. Now nobody is going to clean it of wheat, grass and other Silvestre plants that grows around the building. I plan to go by the end of December to visit the place, to pay the property taxes and try to talk with the neighbor and see if he can take the task of find some potential purchaser for this unused and abandoned property. Of course I plan to spend some money to clean it. Our front neighbor named Gabriel is a Teacher in active. I asked him too to find some person that clean the property every six months being our neighbor who will receive the money transferred to pay for. Sorry.

9.- XICOTENCATL CONGREGATION.

-------------------------------------	--	---------------------------------------

UPDATES.- Last report I informed that Lawyer Julian Ramirez gave to me the date of December 8th 2025 to conclude the tramitation of Legal Property Scripture for Xicotencatl Property. November 11th, I went to see directly at Notary Public Agapito Gonzalez to ask about the status of this procedure. Lawyer Agapito Gonzalez told that he do not know nothing about it. His answer confused me for a moment until another woman lawyer that was making copies at the same office told him and explained him who is Lawyer Julian Ramirez. Both then explained me that Lawyer Julian Ramirez does not work with him at office, only carry on documents to its Notary Public for the protocolization of Legal Documents as required by Law. Their answers made me to be cautious because appeared this situation as a fraudulent issue. I descended from their Office to the street and at this exact moment, Lawyer Julian Ramirez passed by the street driving his pickup, and stopping beside the sidewalk, asked me about what I was doing..?...my angry answer was about investigating at the Notary Office about Xicotencatl work...A that specific moment, we started talking about the long time that he has used to get the Clear Title of the Property as I has contracted him to do it...and using the words ...”fraudulent actuation”...Lawyer Julian Ramirez was angrily answering me that he is not guilty for the delay, that Government Judges whom sign any document are working slowly in the solution of thousand of Legal Issues....and after several minutes of discussions, he went back to his pickup and I went to my vehicle too...The same day, I went to see another old lawyer asking for Legal assistance

MEXICO MISSION WORK. MAY-JUN 2026 GRAL REPORT

in this deal, because the past confrontation versus Lawyer Julian Ramirez, practically terminated each and all present and future deals..

After the explanation of the situation, I asked to Lawyer Irma Leticia Morales Vega to be my Legal Representative to talk with the other lawyer Julian Ramirez asking results in the works I paid for. The Lawyer Irma asked me to wait until January 2026 to start the representation, asking me a Power Attorney legally certified were I name she as my Legal representative in this particular matter only. The Ramirez Lawyer works, looked as a fraudulent issue but her suggestion is not to precipitates to suit Lawyer Julian Ramirez, until she organize an interview to interrogate him.

UPDATES

- 1.- I received copy of ID of brother Wallace Randle. It is at hands of our Lawyer Jorge Viña who is contracted to prepare the Suit versus Rosalinda Aguirre.
- 2.- Also I received a Power of Attorney to be the Legal Representative of brother Wallace Randle in the Suit versus Rosalinda Aguirre. Brother Wallace Randle signed as Representative of Sylvan Hills Church of Christ, being also an Elder of Sylvan Hills Church of Christ 20 years ago, who paid for the Property to Rosalinda Aguirre with the Money donated for the Sylvan Hills Church of Christ..
- 3.- Other document we got is a original Death Certificate of Pablo Silva to present it at The judgment versus Rosalinda Aguirre, because Pablo was one of the Representative of Iglesia El Triunfo when the Property was Purchased with the money being donated by Sylvan Hills Church of Christ.
- 4.- About the Death Certificate of Brother Arturo Parra, his family have not sending any answer until the end of June, 2026. I need also this document because Arturo Parra signed the Bill of Sale also as Representative of Iglesia de Cristo of Rio Bravo, with the clear understanding that such property was to be used by the Congregation El Triunfo.
- 5.- The next pictures were sent by Members of El Triunfo Congregation saying that Maria, widow of Arturo Parra and her son Rigoberto, destroyed the original padlock of building which keys was in hands of members and locking it with new padlock which keys are in hands of Maria, Arturo Parra's widow.
- 6.- It is an open action of invaders of a property that they do not own. Our lawyer recommended us to not make any action versus them until we get the legal approval of the Judge of Rio Bravo when the Suit versus Rosalinda is in Action.
- 7.- In my understanding it means that if Maria and her son Rigoberto are acting this way, it is because they have some agreement under the table with

MEXICO MISSION WORK. MAY-JUN 2026 GRAL REPORT

Rosalinda Aguirre....for this motive, we are going versus Rosalinda Aguirre legally for Intent of Fraudulent sale of the same property. Here you are the actualized pictures of El Triunfo Building.

MEXICO MISSION WORK. MAY-JUN 2026 GRAL REPORT

NEW INFORMATION

1.-As I have reported before, one couple which names are Guillermo and Carmen Hernandez that graduated from VICTORIA SCHOOL OF PREACHING, arrived to Reynosa Tamps, when their support was terminated, looking for a living. Running the years, I found them cooperating with a New Congregation named PIRAMIDES. After contacting them, I asked them to start a New Congregation at the area where they lives now, named PASEO DE LAS FLORES COLONY. They answered that it is the Plan, but they want to start a New Congregation by 2028 God Willing.

2.- I offered them help according with my limited capacities to find resources to get an small house for sale to be used as Church Building. We hope in God that when it came to be real, God will provide the resources to purchase a property to establish a New Congregation.

Picture 2.- This is one of the members of Congregation Piramides that is receiving special classes about how to go to evangelize using the same method I used in VICTORIA SCHOOL OF PREACHING many years ago when Guillermo and Carmen went to study and now Guillermo is teaching to several brethren in Reynosa. Guillermo mentioned that this brother is now using the same method. I hope that it provoke a numeric growing in membership in Reynosa City.
