Andrews Church of Christ

Please accept a fraternal greeting in the precious name of our Lord Jesus Christ.

First of all, we thank God for the blessings He has bestowed upon us, and especially for the rain we have received—something we truly needed. This rain reminds us of the goodness, mercy, and care of our Father, who provides for the needs of His creation. With this spirit of gratitude, I present to you the monthly report on the activities carried out and the progress of the missionary work; I thank you for your support and pray that the Lord continues to bless your lives.

OCTOBER BIBLE CONFERENCES I would like to share with you the outcomes of the Bible conferences we held from October 1st to 4th. These events provided a valuable opportunity for the edification of and fellowship among the brethren on a regional level, as well as for the proclamation of the Gospel. During the conferences, the central theme—"The End Times"—was explored; this topic provided an opportunity to reflect on the importance of remaining steadfast and strengthening the faith of the brethren. We believe the invited speakers were the right ones. They were Francisco Parra predicador de la Iglesia de Cristo en Bronsville, Tx. The other one was Jesus Conrado de Monterrey Mex. The activities took place at the following locations: Thursday the 1st at Zaragoza, Friday the 2nd at Azteca, and Saturday the 3rd at Kilómetro 18—with each host congregation conducting both the service and the refreshments, maintaining its own autonomy; at Zaragoza, we provided tamales, sweet bread, and coffee. The average attendance at each meeting was 250 people. On Sunday, we gathered at the National Institute of Fine Arts (INBA) theater. Total attendance at the theater was 475, including children. As part of the activities, a get-together was also held at El Chamizal Park in Juárez, where the brethren had the opportunity to enjoy moments of fellowship and joy; each congregation organized itself to bring food to share with one another. One of the most significant aspects of the Lord's work is seeing people respond to the call of the Gospel; as a result of the preaching, one soul was baptized, and there were four reconciliations.

We thank God for another year of the October conferences; we pray that the fruits of these activities may endure and that we may continue working together for the glory of His Name. I sincerely appreciate your support; may God continue to bless you and strengthen your work in the service of our Lord Jesus Christ.

Sincerely

Miguel Garcia
