

Sept 2026 Acuna, Mexico

Newsletter

Brothers and sisters of Andrews may the mercy and grace of the Lord Jesus be poured out upon your lives and hearts, as well as His incomparable love for all His creation and those who love Him, is my deepest desire and prayer.

The following is to report what happened this past September, a beautiful month since in Mexico we celebrate and remember the independence of Mexico and as Christians, it makes us remember our dependence on Christ and His will.

I'll begin by telling you about what we did this past September, where month after month we held our get-together, and this month, more Mexican in theme, we celebrated with a big gathering featuring enchiladas, tamales, pozole, tostadas, and flavored waters like melon, watermelon, tamarind, hibiscus, etc. Our attendance has been increasing, which is also an achievement because everyone participated by each family bringing food. Besides that, we especially enjoyed being enriched by the powerful word of our God.

This month we also began planning for 2027, God willing. As we do every year, we started in February with our annual campaign, a celebration and beautiful undertaking in which the church is involved to honor and glorify the Savior of our souls, our King Jesus Christ. So, we have already begun placing our plans for next year in the hands of our Heavenly Father, asking Him for strength, health, love, and above all, faith, and that His name be glorified.

Likewise, we continue with the remaining plans for this year, such as the youth meeting and the unity campaign for the month of December, God willing.

Thus, the church continues with our local and general activities (benevolence, visitation, home studies, evangelism) hoping that the Lord of the harvest will send laborers into His harvest and patiently waiting for the seed to germinate and for our God to give the growth for His glory and honor.

Well, brothers and sisters, that's all for now. Receive fraternal greetings from your servant and my family. Remembering that He who promised is faithful and will not delay coming for those who love Him.

Sincerely

Julian Tovar Jr.
