LLERA DE CANALES	**NONE LOCAL PREACHER.**	**NONE SUPPORT.**

1.- Picture of building in Llera de Canales.

Let me repeat the history about it.

"In the Month of February, 2000, Raymundo Delgado was sent to open a New Congregation in Llera. He was supported by a Congregation located at Northcross, Georgia. We purchased the property in Llera, giving a down payment and making monthly payments. When all was paid, we received a Property Title legally registered at The Registry of the Public Property Office under the name of our brother Roberto Martinez.

Running the years, I got some help from a Lady Christian from Huntsville, Tx. And started the construction for a building at the property.

In 2005, Raymundo moved from Llera to another congregation located by the Mountains. I sent to Llera a new graduated named Sergio Ramirez to continue with the work.

All was fine until the Year 2012, when a group of criminals targeted the Ramirez Family, burning 2 vehicles that we had donated to the congregation years before. The Ramirez Family fleet far away to save their lives. They went to Cd. Valles, S.L.P.

I offered to them support to start a New Congregation in Cd. Valles, but they quitted 4 months later, maybe because the stress suffered when they were treated in Llera.

The building in Llera was abandoned by the membership, and the members started to meet at the original place during the time, when Raymundo converted them: at the home of Sister Kalita.

I went several times down there to convince them to come back to use the building. It is equipped with Water and Electricity….and the Year 2020, the Municipal Government have introduced sewer to the Colony. Despite of the invitation, the members refused to come back.

Starting the Year 2019, I put a sign of "for sale". The plan was sell it and get money to pay back the Mission Program Debt acquired to purchase the property for the Congregation in Graciano Sanchez or to pay off the remnant debt with IMSS. Both debts were paid off running the years. The new plan is sale it and gets the money to save it to purchase another property where it is necessary. Until the present time none potential purchaser have appeared.

This picture shows the building. The preacher that was in Graciano Sanchez, named Gilberto Garcia, was going to mow it every 2 months during the rainy season. Now nobody is going to clean it of wheat, grass and other Silvestre plants that grows around the building. I plan to go by the end of December to visit the place, to pay the property taxes and try to talk with the neighbor and see if he can take the task of find some potential purchaser for this unused and abandoned property. Of course I plan to spend some money to clean it. Our front neighbor named Gabriel is a Teacher in active. I asked him too to find some person that clean the property every six months being our neighbor who will receive the money transferred to pay for. Sorry.
