October 2026 Acuna Mexico Newsletter

Brothers and sisters of Andrews may the grace and peace of our Savior and Redeemer, our Lord Jesus Christ, be in your lives daily and every moment, as His presence is manifested each day with you and yours. This is my heartfelt prayer.

The following is to tell you about what was done in this month of October, a month full of abundance since it has been a month of rain and changes in temperature and this has changed the climate making the days pleasant, autumn days where the landscape changes and the power of the Lord is seen in each leaf that we see fall thus giving the hope of rebirth.

I'll start by telling you that this month, as every month, we held our congregational gathering, an activity that has been increasing and where the brotherhood seeks to relate and interact since it is a time of exchange, not only of food but of communion in the Lord and to spend a moment of edification for one another.

Likewise, our youth continue to be encouraged through the teaching of the word and their meetings, where we hope that their benefit and recreation will be with the people of God in this stage of many temptations, but we know that it is here where Timothys and Samuels can be forged for the honor and glory of God, so we seek to guide them always with the help of God.

As I mentioned in the last report, we continue with our general activities and meetings, working on the building, since every time it rains, the work rains down on us. We also continue organizing and praying for our upcoming activities next December, trusting in the Lord to close out this year doing His will for the greatness of His work.

I just wanted to let you know that my family and I are doing well, thanks to the Lord's grace. However, the church, especially some older brothers and sisters, suffer from chronic illnesses that they struggle with every day.

Well brothers, that's all for now. Receive a fraternal greeting and I thank the Lord for each of you who are attentive every month so that the Lord's work in this place continues. I just remind you that our work in the Lord is not in vain and His work is the most fertile ground there is.

Sincerely, Julian Tovar Jr.

I will praise thee with my whole heart: before the gods will I sing praise unto thee PSALM 138:1
